Sub: - Degassing and purging of LPG/Propane road tankers in your premises at Gat No. 103(1),  
Madhav Baug, Thane-Jawahar Road, Village Ondhe, Taluka Vikramgarh, Dist. Thane (MS) -  
regarding

Dear Sirs,

Please refer to the inspection of your works by Jt. Chief Controller of Explosives, West Circle,  
Navi Mumbai on 20/10/2012.

Your proposal for degassing, purging and periodic testing of LPG, Propane and other  
flammable compressed gas road tankers as shown in drawing No. MEIS/LAYOUT/RT/O/01 Rev. 1 &  
MEIS/P&ID/RT/01 is approved in principle.

As such, there is no objection to your carrying out degassing and purging of LPG, Propane and  
other flammable compressed gas vessels mounted on the vehicle for transport of compressed gas,  
licensed in Form IV of SMPV(U) Rules, 1981, in your above mentioned premises to carry out periodic  
testing under Rule 18 & 19 of the said rules subject to the observance of the following conditions :-

1. The degassing of the vessel shall be done at the place approved by this office
2. The vessel shall be fully degassed till it shows '0' reading for absence of flammable gas  
when tested with explosives meter before subjecting the vessel for testing
3. The degassing and testing of vessel shall be carried out only during day light hours
4. The degassing, purging, testing and all the operations related to the said activities shall be  
carried out only under continuous supervision of qualified and experienced personnel.
5. The road tankers licensed under Form IV of the SMPV(U) Rules, 1981 shall only be  
undertaken for degassing, purging and periodic examination and testing.
6. The Safe Operating Procedure enclosed with your letter No. MEIS/DMD/Jt. CCE-  
WC/2012, dated 30/10/2012 & letter No. MEIS/MKD/Q&C/2011, dated 28/01/2011 shall  
be complied while carrying out degassing and purging of LPG, Propane and other  
flammable compressed gas vessels.
7. Compressed gas vessel of LPG, Propane and other flammable compressed gas road tanker  
designed for design pressure less than or equal to Propane shall only be degassed, purged  
and tested.

8. No change in the organizational set-up and machinery and equipments shall be effected without obtaining prior approval of this office.
9. The other relevant provisions of the SMPV(U) Rules, 1981 shall be complied with.
10. The purged vessel shall be released only after ensuring 'O' oxygen in the vessel by proper testing and reporting.

The approval may be reviewed, amended or withdrawn at any time, if considered necessary in the interest of safety or if any of the conditions mentioned above is violated or not complied with.

This permission is valid for a period of one year from the date of issue of this letter which may be extended further on submission of detailed performance report indicating licence No., vessel No./Safety valve No., fabricators name, CCE's approval No., test due date, test date, etc. A record of vessels so tested shall be maintained at the subject premises and produced on demand by inspecting officer.

Yours faithfully,

  
( T.R. Thomas )  
Chief Controller of Explosives
